REPORTS

THANKS

For a Conference session, agreeable in the ongoing of it, local tone, taste and touch are substantially contributory. The task of entertaining this large body is itself large; and here it has been accomplished as but a natural part of the day's events. It has been done with a grace that was great, with fine consideration, unfailing kindness, and full efficiency.

Mindful of these things, Be It Resolved,

That the very hearty thanks of this Conference are due, and hereby are expressed, to this Decatur Church, to the esteemed members, to Brother D. D. McGehee and his fellow-members of the Entertainment Committee, to Pastor Davenport, and to all their friends assisting, for our very delightful entertainment.

Pastors and people of other churches have our thanks for courtesies accorded.

We thank the Boy Scouts for their fine service.

We thank Mr. Postmaster Crawford for the exceptional postal facilities afforded after a fashion unprecedented.

We thank President Glasgow, the faculty and student body of Athens College for their fine hospitalities incident to a visit to the college by a large number of our members during this session.

Upon these all, we pray the abounding and abiding blessing of our Heavenly Father.

E. M. GLENN,
G. W. READ,

REPORT OF THE BIBLE SOCIETY BOARD

We, your American Bible Society Board, wish to submit the following report.

For over one hundred years the American Bible Society has labored with the objective in view of supplying the peoples of the world with the Holy Scriptures. Today this Society is distributing the Bible in five Continents and in the Islands of the Sea, doing this mainly through nine home and eleven foreign agencies.

The Society is issuing annually more than six million copies of the Bible and parts thereof. The Society has made it a rule never to sell a Bible for profit and most of its product is sold for less than cost, especially is this true in the Mission Fields where Protestantism is active.

There never was a time when the work of the American Bible Society was more needed than at the present time when there is a universal demand for the Word of God. We must recognize in this Society an agency which has rendered to our Protestantism an invaluable service in her efforts to forward the great Cause of Christ.

We heartily recommend the American Bible Society to all the people of God for their most loyal support, both financial and moral.

(Signed) GEO. C. DOBBS,
L. S. WESSINGER.

ALABAMA METHODIST ORPHANAGE

We have received into the home during the year 46 children, and have placed in foster homes and returned to parents and guardians 54 children, leaving 68 in the home at present. The health of the children has been very fine, there being no deaths and but very little serious sickness.

We have received in contributions \$20,300.89, and in specials \$6,295.77. Besides this we have received by bequest from the estate of W. W. Giddens and wife of Bermuda, Ala., property valued at about \$4,000.

Rev. F. L. Aldridge had to give up the superintendency on account of the physical condition of his wife. This he did with sorrow and regret, and the Board accepted his resignation with equal regret. Rev. C. W. Northcutt of the Alabama Conference was elected superintendent.

Realizing that we are not caring for as many children as the Baptists,

Presbyterians, nor Masons, and not caring for what we have in the way that it ought to be done, we have decided to undertake a forward movement. To this end we sent the superintendent, Rev. F. L. Aldridge, on an extensive trip of observation and inspection into several eastern states and cities. With the information that he brought to us prayerfully and carefully considered we have fully determined to undertake the building of a system of homes in which our children may grow to worthy manhood and womanhood under normal conditions unaffected by institutional life.

We ask the authority of the two Conferences to make the extensions planned, and to raise the money necessary to carry them into effect. But in the face of the large balances still due on the Centenary and Educational subscriptions and the coming effort for Superannuate Endowment funds we ask authority to solicit only private contributions and this only upon the advice of the pastors and presiding elders in their charges.

We nominate Rev. F. L. Aldridge as Director for a term of five years.

J. H. WILSON, President.

EUGENE L. CRAWFORD,

Secretary Pro Tempore.

REPORT OF THE COMMITTEE ON DISTRICT CONFERENCE RECORDS

We, your Committee on District Conference Records, beg to report that we have examined the records of the District Conferences of twelve districts in this Annual Conference, the record of Bessemer District alone being not submitted. Proper criticisms have been entered by the Committee in each of the records submitted.

We urge improvement where suggestion of change to advantage is made.

We desire to especially commend the records of Birmingham, Haleyville, Huntsville and Talladega Districts for the care which is manifest in their keeping.

GUY F. PONDER, Chairman.

Decatur, Ala., Nov. 4, 1922.

REPORT OF EPWORTH LEAGUE BOARD

Your Epworth League Board reports a year of progress and development. Our Secretary reports 102 new chapters, an average of 90% who attend preaching services, \$1,454.16 paid on Africa Special, thirteen District Institutes held, and marked development toward the standard of efficiency.

The Assembly at Athens in June was the largest and best yet held. The personnel and spirit of the Conference was of the highest type, with a large increase in the enrollment in the various classes for credit work. The registered attendance reached over 650.

Since your Board directly took over the management, control and financing of the League work by order of this Conference at the request of the Epworth League Conference, there has been a marked spirit of optimism and co-operation pervading our whole Conference and among the young people. We wish to thank the presiding elders, pastors and laymen for their splendid support which has made possible the greatest year in our history, and call upon you for a continuation of the same spirit.

We would call attention to the literature supplied us by the Central Office which is the best we have ever had. At our headquarters is to be found the best of literature and helps gathered from every source and we call upon our pastors and people to make greater use of the same.

We respectfully recommend to the bishop and his cabinet Rev. William Graham Echols for reappointment as Field Secretary.

REPORT OF COMMITTEE ON SABBATH OBSERVANCE

We, your Committee on Sabbath Observance, beg leave to submit the following report.

The open and flagrant violation of the Christian Sabbath is of no small concern to our church. The church which we represent needs to utter itself clearly and distinctly at all times and on all occasion, in reference to the observance of one day in seven as holy to the Lord. The law of the Christian Sabbath is written as deep in the word of eternal truth as any other law written therein. Those who violate that law not only commit a sin against God, but against their own bodies and souls. The Sabbath was made for man, and he needs it, as a day of rest. We need not specify those things which bring our Christian nation into disrepute in the eyes of those who come to our shores, for only mercenary purposes—but we do need, for both church and state to declare to such citizens that if our Christian Sabbath preserved and revered from the foundation of this republic is not pleasing in every respect to them, they have our permission to return on the same ships or others like them to the shores from whence they came. We suggest that a sermon at least once a year be preached in every congregation on the observance of the Christian Sabbath.

Respectfully submitted,

GEO. C. DOBBS, Chairman.

O. L. MILLICAN, Secretary.

REPORT OF THE SUNDAY SCHOOL BOARD

The advancement made along the line of Sunday School activities during the year just closed is very gratifying.

While there has been marked development, yet with a greater spirit of co-operation on the part of every pastor and Sunday School worker, the organization of the work would be much more effective. God expects us to work with Him intelligently, and intelligent co-operation requires organization. We cannot expect to reach the last school and go with our work down to the individual, unless there is thorough organization of the Conference, the district, of the sub-district, of the circuit and of the individual school itself.

In response to our efforts for organizing the districts, we wish to report that the following have been organized and most of them at work: Albertville, Bessemer, Birmingham, Decatur, Florence, Gadsden, Huntsville, Jasper, Sylacauga, Talladega and Tuscaloosa. Because of providential circumstances, our superintendent of work was unable to organize the Haleyville and Roanoke Districts.

Some effort has been made to promote the training of Sunday School teachers and other Christian workers. While only two training schools were held, yet, these were very successful and profitable. These schools were held at Gadsden and Anniston, the former enrolling 125 pupils with 63 taking credits, and the latter enrolling 125 with 50 receiving credits. While not a standard school, a very enthusiastic and beneficial five day institute and training school for the Albertville District was held during the year.

We rejoice at the reports coming from all sections of the Conference at the increased attendance on Sunday School and of the increased interest and adaptation of standard methods and of proper Sunday School equipment.

In the promotion of Sunday School Day we are disappointed at the results, though the Superintendent made an earnest effort to stress this important feature of the work. The reports will show that Promotion Day and Decision Day have been generally observed which have meant much in increased interest and consecration.

The Board is glad to co-operate with the other Boards of the Conference in the promotion of the Training School to be held at Birmingham-Southern College and have elected the following to represent us on the board of managers: H. M. Hurst and C. W. Hammett.

W. M. McDonald, J. S. Chadwick and W. G. Henry were elected by the Board as a Committee on Religious Education.

As a Committee on Co-operation with International Council of Religious Education the following were elected: E. L. Rivers, W. A. Wilbanks, M. M. Davidson, T. L. Selman and W. H. Stockham.

The following are the officers of the new Board: W. H. Stockham, Chairman; W. M. Stokes, Vice Chairman; H. G. Stokes, Secretary; J. B. Wadsworth, Treasurer.

We commend the work of our Field Secretary, Rev. W. M. McDonald, and recommend that Bishop Murrah reappoint him as Field Secretary for the ensuing year.

W. H. STOCKHAM, Chairman.

H. G. STOKES, Secretary.

TEMPERANCE AND SOCIAL SERVICE

We, your Committee on Temperance and Social Service, beg leave to make the following report:

With grateful hearts to Almighty God, we acknowledge His leadership in our fight for prohibition; for as we review our progress we feel sure His hand has led us.

Since prohibition came into effect more than seventeen million people in this country have ceased drinking. Only fifteen per cent of former drinkers are now drinking, and they are only drinking five per cent of the quantity of liquor that was formerly consumed. The drink bill of this country has decreased two billion dollars each year, and the money formerly spent for this great destroyer has been spent in legitimate lines of trade for necessary commodities. Savings deposits have increased more than thirty-three and a third per cent. The life insurance companies of the nation declare that 1921 was the healthiest year our nation has ever experienced.

In Alabama we rejoice that our politicians and our press have acknowledged that prohibition is a great blessing to our people, and have openly declared that there should be no change in our present prohibition laws and for a more strict enforcement of our laws. We pledge J. Bibb Mills and the Anti-Saloon League, which is our agency to fight the liquor traffic, at home and abroad, our heartiest co-operation and our heartfelt sympathy, and urge our ministers to open their churches to the agent as far as practicable.

We commend the action of Attorney-General Daugherty for his able opinion which put our government out of the bootlegging business, and forced the foreign powers to recognize our Constitution and respect our laws.

We pledge our sympathy and support to the work of the Near East Relief, and deeply realize our obligation to the thousands of suffering children looking to this organization for food and clothing. We urge our ministers to open their churches to speakers of this organization and co-operate by taking offerings suggested by these workers as far as practicable.

We pledge our brotherly sympathy to the leaders of the colored race, in working out all inter-racial problems. We urge our pastors to cultivate the confidence of the leaders of this race and help them in every way possible.

We pledge our co-operation to every institution whose object is the genuine uplift of society and the christianizing of the world.

J. A. DUNCAN, Chairman.

WILLIAM H. MANSFIELD, Secretary.

REPORT NO. 1 OF BOARD OF CHRISTIAN LITERATURE

The Board of Christian Literature respectfully submits the following report:

First.—Realizing the great need of a wider circulation and reading of our own Methodist Literature on the part of our people, we commend to our people, The Quarterly Review, Missionary Voice and Epworth Era, and earnestly urge our people to do all they can to increase their circulation.

Second.—We further recommend that more of our people take the Nashville Christian Advocate, and that the preachers put forth a greater effort to increase the circulation of this most valuable paper of our Church.

Third.—We further recommend that our preachers distribute widely the free tracts furnished by our publishing house, on great and important subjects, about which our people need information.

Fourth.—We recommend that the Conference elect Dr. J. S. Robertson, Dr. F. W. Brandon, S. T. Slaton, F. B. Yeilding, J. A. Vann as Publishing Committee.

Fifth.—We rejoice that our own Alabama Christian Advocate has increased in circulation under the able and efficient management of Brother M. E. Lazenby. Brother Lazenby is giving us a good paper and we recommend that all our preachers include in their budget the Alabama Christian Advocate. We recommend that we press forward in this great work until the Alabama Christian Advocate goes into every Methodist home in the North Alabama Conference. Out of the funds assessed for Christian Literature,

we appropriate an amount equal to 1% of that paid for the support of the Ministry to the support of the Alabama Christian Advocate.

We deeply appreciate the good work of Rev. M. E. Lazenby, Business Manager and Editor, who is serving the paper so faithfully and well.

N. H. ABERNATHY, Secretary.

ROBT. H. JONES, Chairman.

REPORT NO. 1 OF BOARD OF LAY ACTIVITIES

We nominate Conrad H. Ohme as Conference Lay Leader.

H. H. AMENT, Secretary.

November 3, 1922.

REPORT NO. 2 OF BOARD OF LAY ACTIVITIES

Owing to the fact that the Board of Lay Activities had no funds for expenses this year just closed, I have been unable to visit the various Districts in our Conference as I would have liked to. The work that has been done was through correspondence largely. In this way I have, to some extent, kept in touch with the District Lay Leaders, also Charge and Church Lay Leaders.

At our last annual Conference it was thought best not to ask for a paid secretary for this year, owing to the fact that General Conference convened during the year and the Laymen were promised some legislation that would help them to better carry on their work in the future.

The needed legislation was enacted at the General Conference in May, the most important of which was creating a General Board of Lay Activities to be composed of the Conference Lay Leaders of the several Conferences in our Church. This Board created was called through its secretary ad interim, Bishop Beauchamp, to meet at Lake Junaluska August 23rd. It was my pleasure to attend this meeting at which the plans for the various Boards of Lay Activities for the quadrennium were made.

Our Laymen are to have a manual describing each Board, from the General Board down to the Charge Board and the duties of each. This manual will soon be ready for delivery and we hope and earnestly urge every lay leader to get a copy at once, also every layman that has the interest of his church at heart and wants to help further the Kingdom should have a copy.

Bros. G. L. Morelock and J. M. Way were elected Secretary and Assistant Secretary respectively of the General Board of Lay Activities at Junaluska in August. Their offices are in Nashville, and the Laymen of our Conference will be helping them to carry on their work if they will write them regarding any work they have been planning. They are only too glad to lend a helping hand.

In order to carry on the work planned by the General Board of Lay Activities it is imperative that sufficient funds be provided to meet the expenses incident to postage, stationery and traveling expenses. I would urge that this Conference make the necessary appropriations.

Respectfully,

W. M. HAGOOD,
Conference Lay Leader.

REPORT OF BOARD OF MISSIONS

Your Board of Missions has reviewed the work under its care and rejoices to report gratifying progress in the great missionary activities of our church. The reports which have come to us both from the parish at home and the parish abroad have shown that our church is lifting up its eyes to the whitening harvest field in this day of opportunity.

In order that we may not fail to reach all the objectives which, in the providence of God have been placed before us, it will be necessary for us to keep the claims of the Centennary Movement before our people. We would therefore urge with emphasis that every presiding elder, pastor and church official co-operate to the fullest extent in the collection of unpaid Centenary pledges. At this time there is in our own Conference unwards of \$700,000.00 of these subscriptions due and unpaid. Unless these pledges are redeemed our own mission pastors will suffer, the great world-program of our church will be halted, and the integrity of our people will be called in question. We urge further that the regular collections be brought in as nearly as possible in full, and that prompt remittances of funds in hand be sent to our Conference Treasurer.

The Home Department of the Board of Missions, in co-operation with the Boards, is planning to hold another summer school for pastors and Christian workers at Birmingham-Southern College. The benefits of the school held last year have been widely recognized, and we would earnestly bespeak a spirit of ready co-operation in this important enterprise. We urge our presiding elders to see that as far as possible at least all the undergraduate preachers are in attendance.

The Board has adopted a strong resolution endorsing the plans now under way for the speedy erection of the McCoy Memorial Church for use of the students of Birmingham-Southern College. We know of no more urgent need in Alabama Methodism, and we trust that no time may be lost in providing the funds necessary for the building and equipment of an adequate church plant at this strategic point.

We commend to our people the recently established Northwest Alabama High School at Haleyville and trust that any appeal made for the benefit of this institution may be met with a ready response. A special plea has been made to us for help in the building of a school within the bounds of Liberty Charge in the Gadsden District. We regret that the funds at the disposal of the Board are not sufficient to make financial assistance possible; but we heartily endorse the enterprise and trust that the money needed may be secured in some other way.

Our hearts have been stirred with Christian pity by the stories of misery and massacre which have come to us in the last few weeks from the Near East, where hundreds of thousands of innocent men, women and children have been put to death by the ruthless Turk, and where still larger numbers are suffering the indescribable tortures of hunger and shame. We urge upon our pastors and people everywhere that they give cordial support to work of Near East Relief.

We respectfully request the Presiding Bishop to make the following appointments:

Conference Evangelists: A. J. Notestine and W. J. McCarty, two months of their time to be given to work in the North Alabama Conference.

General Evangelists: J. O. Hanes, L. D. Patterson and Jno. A. May.

Conference Missionary Secretary: J. A. J. Brock.

We recommend A. J. Notestine and W. J. McCarty to the General Evangelistic Committee for appointment as General Evangelists.

The Board arranged for a page in the Alabama Christian Advocate for one year to carry the same matter that is now being carried in the Christian Advocate, to be paid for by the Treasurer.

The Board asks that Friday evening of the next annual Conference be given to the Board of Finance to present the cause of the Conference Claimants, and particularly the effort for Superannuate Endowment.

The Board recommend that at the discretion of the Chairman of the Board, the cause of Superannuate Endowment be presented to such gatherings as he may see fit, and the expense of the same be referred to the Treasurer for payment.

CHAS. W. SEALE, Chairman.

W. E. ALDRIDGE, Secretary.

REPORT OF TREASURER OF LEGAL CONFERENCE

To the Trustees of the Legal Conference of the North Alabama Conference.
Dear Brethren:

Herewith I hand you my annual report as Treasurer.

Since making my last report one year ago there has been no change in our assets or investments. We have six thousand dollars in 5% bonds of the Pratt Consolidated Coal Company, on which the interest is paid semi-annually, yielding an income of three hundred dollars.

We also have invested seventeen hundred dollars in the preferred stock of the Moore-Handley Hardware Company, paying a rate of 7%, on which the dividends are paid quarterly.

This constitutes our total assets.

Herewith I hand you my check for four hundred and fifteen dollars, payable to the Joint Board of Finance to go into the Conference fund for Conference Claimants.

Respectfully submitted,

J. D. MOORE,

Treasurer Legal Conference.

Birmingham, Alabama, November 1st, 1922.

REPORT OF AGENT OF SUPERRANNUATE HOMES

To the Bishop and Members of the North Alabama Conference.

Dear Brethren and Sisters:

We are glad to report a successful year in our effort to provide homes for the superannuate preachers and widows and orphans of deceased preachers.

Mr. T. G. Barber has pledged a home to be located at Coal City, in the Talladega District. The property will be deeded at once, and we get possession within six months. The home will be known as the T. G. Barber and Wife Superannuate Home. We appreciate this kind donation by Brother Barber and his good wife.

The Executive Committee has arranged to buy or build a Superannuate Home to be known as the First Church Home, Birmingham District. That Home will be occupied by Mrs. Akin, widow of Rev. J. W. Akin, deceased.

By arrangement of the Executive Committee, our Home at Roanoke, in the Roanoke District, has been exchanged for a more valuable piece of property in the town and is occupied by Rev. Felix A. Vann. The Home bears the name of Major Schuesler and Wife Home, the original donors of the property.

The Executive Committee also arranged for Rev. W. T. Daniel to occupy the Z. H. and Louiza Clardy Home, Talladega, in the Talladega District.

Rev. W. R. Eddens moved from the Lydia Pettyjohn Home, at Powderly, in the Bessemer District, and the widow of Rev. J. T. Wilkins, deceased, was assigned that Home by the Executive Committee.

It was not convenient for Rev. B. M. Bellenger to occupy the Home at Pell City, which had been assigned him by the Executive Committee, and that Home has been rented the past few months.

Rev. W. W. Rutland, a preacher in the active ministry and teacher in the Northwest Alabama High School, died recently and his widow and five little girls will occupy the Dr. Gay and Wife Home at Lineville, in the Roanoke District, by arrangement of the Committee.

Substantial repairs and improvements have been made on several Homes during the year. We mention specially that a new roof has been put on the John E. Morriss Home at Montevallo, in the Sylacauga District, by your Committee. The Home has been beautifully painted at a cost of \$125.00 by Mr. Marvin Pattillo, a consecrated son of Rev. W. T. Pattillo, deceased, the first occupant of a Superannuate Home, as far as we know in Methodism. The saintly widow of Bro. Pattillo is spending the evening of her life in that Home, built and donated by John E. Morriss, deceased, the founder of the Superannuate Home Movement.

Quite a number of our claimants have made repairs at their own expense, as a labor of love, and slight token of appreciation, for what the church is doing for them.

The following have been reported to your Agent: Mrs. R. A. Timmons, \$130.00, on the Sunshine Home at Gadsden; Rev. J. J. Crow, \$85.00, on the Home at Bessemer; Mrs. H. P. Berry, \$45.00, on the Home at Albertville; Rev. J. L. Brittain, \$100.00, on the Ruth Brittain Home at West End, Birmingham District; Rev. J. W. Syler, \$25.00, on the Syler Memorial Home, Huntsville District.

We feel very grateful to the Sunday Schools of the Conference, and all concerned, for the splendid offering of \$1,345.00 for Superannuate Homes in honor of Mothers' Day. This is \$500.00 more than the contribution by the schools last year. As an educative, as well as helpful feature, we respectfully recommend that Mothers' Day be continued as the special Sunday for the Sunday Schools of the Conference, as far as practicable, to make voluntary offerings for Superannuate Homes.

This great movement has assisted 52 families with Homes at the times when needed most.

We have 40 Superannuate Homes in the Conference.

It is the policy of the Trustees to keep the Homes insured and premiums paid to date.

The Syler Memorial Home is being used for rental a while at the request of the donors.

The Pocahontas Home, in the Jasper District is occupied by the regular pastor of the Charge, by request of the Presiding Elder of the District.

Our cash receipts aggregate \$9,250.00. The Melinda Rowe and Martha Rowe Watkins Superannuate Endowment Fund is in good hands and bears 8% interest. We hold also one Liberty Loan Government Bond of \$50.00 by N. M. Rowe for the above fund.

Your Executive Committee thinks a reasonable estimate of the approximate value of our Homes is \$130,000.00.

Rev. T. A. Kerr, an honored and greatly beloved Superannuate preacher, rich in faith and good works, has recently passed on to his reward, in that "city which hath foundation whose builder and maker is God."

We rejoice that this great interest of the church continues to grow in favor and popularity with our people.

Your Agent appreciates the splendid co-operation of your Board of Trustees and Executive Committee and all of the people, and beg continued interest in the prayers of the church for this good cause.

Respectfully submitted,

J. W. NORTON, Agent.

REPORT OF THE BOARD OF TRUSTEES FOR SUPERANNUATE HOMES

Decatur, Ala., Nov. 4, 1922.

We concur in the report of the Executive Committee in approving and endorsing the official acts of our Treasurer and Agent during the year.

RESOLUTION—SUMMER SCHOOL

Desiring to conform to the recent legislation affecting work offered by summer schools and institutes to our young men passing through the course of study; and the more recent agreement among certain of our General Board to co-operate in the management of the Summer School for city and rural pastors conducted by the Home Department of the General Board of Missions during the summers of 1921 and 1922; and to secure for our Conference the greatest possible benefits of the same, a committee composed of representatives from the Boards of Missions, Education, Sunday Schools and Epworth Leagues, held a meeting at 2 P. M., November 3rd, and agreed on the following plan for the conduct of a school at Birmingham-Southern College during the summer of 1923, namely:

FIRST: That the committee of control be constituted by each participating Board in every patronizing Conference, electing two representatives to serve one or more years as each Board may elect.

SECOND: That it shall be the duty of this committee, in consultation with representatives from the General Boards co-operating, to provide a program, fix a time of meeting, elect a dean or director of the School, and discharge such other duties of supervision as may be necessary to make the school efficient.

THIRD: That they shall provide competent instructors for our young preachers, taking their Conference courses of study, conforming to the law of the Church concerning same, and if possible provide for the expenses of such of our young men as may not otherwise be able to attend said school, application for such aid being made by their Presiding Elders.

FOURTH: We herewith transmit to this Conference for confirmation the following members of the committee of control named by the respective Boards participating, namely:

Board of Education, Dr. Guy E. Snavely and Claude Orear.

Board of Missions, H. M. Stevenson and C. A. Tatum.

Sunday School Board, H. M. Hurst and C. W. Hammett.

Epworth League, F. R. Mapes and I. T. Carlton.

FIFTH: The participating Boards have authorized the following appropriations to the budget of expense, namely:

Board of Missions, \$250 (not to exceed \$300); Board of Education, \$250; Sunday School Board, \$250; Epworth League Board, \$250.

Respectfully submitted,

GUY E. SNAVELY, Chairman.

J. A. J. BROCK, Secretary.

REPORT OF THE BOARD OF EDUCATION

The Board of Education has considered with great care the reports from the presidents and the trustees of our three colleges, and from these reports, note with pleasure physical improvement of considerable value and enlargement of matriculation. They are now all A-grade colleges, doing approved work, and your Board recommends to the General Board of Education that the same classification be continued.

In addition to these three colleges there are two mountain schools owned by the Quarterly Conferences in the respective charges where they are located. The one located at Flat Rock has been very useful in the inspiration and training for life service that it has given to many young people, who otherwise would not have had scholastic advantages. The school has been for several years in successful operation. The other, the Northwest Alabama High School, established at Hackleburg less than two years ago, has changed its location to Haleyville. It is in a territory where it can reasonably hope for a large number of students, and the number enrolled for the past two sessions is evidence of its value.

We recommend both these schools to the General Board of Education for financial aid and classification as academies.

The Summer Institute held at Birmingham-Southern College for the past several years had about 270 preachers from the two Alabama and the Mississippi Conferences, practically all of them under-graduates. The Commission on Education has adopted standards for Summer Schools which will make them more effective. Here the under-graduates not only have help in their Conference courses of study, but get the benefit of class-room work and addresses from experts in the practical work of the ministry.

The Educational Loan Fund of the Conference, while not large enough to meet all needs, is rendering much needed help to increasing numbers of young men, and we are pleased to learn from the Treasurer of that fund that collections of loans due has been better than heretofore.

Dr. S. L. Dobbs, who, as Conference Secretary of Education, is charged with the special duty of collecting subscriptions taken during the Educational Movement, reports collections to date in the aggregate sum of \$138,961.93.

Inasmuch as the first week of November, set apart by the General Board of Education as "Pay-Up-Week," conflicted with the present session of the Conference, we recommend that the first week in December, next, be designated as "Pay-Up-Week" for the North Alabama Conference.

The authorities of Birmingham-Southern College contemplate establishment of a Circulating Library—membership in which may be had by pay-

ment of one dollar a year. This Board will gladly co-operate with the college authorities in this behalf.

McCoy Memorial Church

With regard to the church edifice proposed to be built at Owenton, we offer the following:

Whereas, One of the most imperative tasks now before Alabama Methodism is the building of an adequate church plant at Birmingham-Southern College; and

Whereas, Plans are now definitely under way to erect such a church, to be known as the "McCoy Memorial Church," at a cost of approximately \$125,000; and

Whereas, If Alabama Methodism does its part, we are practically assured of an appropriation of \$50,000 from the special fund for educational centers, as set aside by the last General Conference; and

Whereas, If we are to secure this proffered aid we must raise at least an equal sum throughout the state;

Therefore, Be It Resolved, by the North Alabama Conference that, in conjunction with similar action by the Alabama Conference, we set aside a Sunday in the Spring of 1923, to be known as "McCoy Memorial Sunday," on which day an opportunity will be given in every church in Alabama and West Florida for an offering in memory of our late beloved Bishop James H. McCoy, and for the perpetuation of his name and influence, through the erection of this college church.

Be it further Resolved, That the responsibility for pressing this enterprise to a successful conclusion will rest with the "McCoy Memorial Building Committee," of which Dr. Guy E. Snavelly is Chairman.

Realizing the tremendous needs of the three colleges under our control, and the importance of collecting in full the pledges to the Christian Education Movement, and otherwise stimulating financial interest in the colleges, the Board of Education appoints Presidents Snavelly, Glasgow and Agnew an advisory committee to the Conference Secretary of Education. The Board of Education also requests that the pastors open their pulpits when opportunity presents itself to laymen who may be sent out by this committee to present the cause of Christian Education and to maintain continued interest in the educational work under the supervision of the church.

We recommend the election of the following trustees:

For Athens College—J. S. Chadwick, C. F. Cross, J. C. Persinger, F. W. Brandon, C. W. Sarver.

For Birmingham-Southern College—Hugh Comer, Hugh A. Locke, Robert Echols, A. M. Freeman.

For Woman's College—F. M. Jackson, B. T. Waits.

We recommend the following appointments:

To Birmingham-Southern College—R. M. Hawkins and L. M. Spivey, professors; and the following as students: H. E. Wright, Hugh L. Martin, O. D. Thomas.

To Athens College—B. B. Glasgow, President.

To Woman's College—M. L. Smith, Professor.

To Emory University—H. C. Howard and W. F. Melton, Professors; Students: J. F. Sparks, H. H. Ellis, O. K. Lamb.

Student Drew Theological Seminary—H. C. Brown.

Flat Rock High School—F. H. Gardner, Professor.

Northwest Alabama High School—L. G. Alverson, President; W. W. Levie, Professor.

Conference Secretary of Education—S. L. Dobbs.

From the Conference Treasurer we have received \$14,835.42. This sum we have disbursed as follows: Expenses of the Board, \$75.42; Birmingham-Southern College, \$6,346.00; Trustees Athens College, \$2,242.00; Faculty Athens College, \$3,369.00; Woman's College, \$2,803.00.

GEO. W. READ, Secretary.

REPORT OF BOARD OF CHURCH EXTENSION

Church Extension during quadrennium just closing has made good progress and we rejoice to see the increasing interest from year to year. We wish to call special attention to the Sunday School offering for Church Extension. The pressing demand for better equipment for taking care of our Sunday Schools makes an appeal to the schools themselves for more liberal contribution to this fund. We hope every pastor will see to it that their schools observe the day for birthday offering and make as large contribution as possible to Church Extension. We are pleased to see our Loan Fund growing. We ask the pastors to use their influence to increase this special feature of Church Extension to the fullest extent. The increased demands upon the Board for aid makes it necessary that our fund be largely increased. The following resolution was adopted:

Whereas, the greatest single task before Alabama Methodism is the providing of an adequate church plant for Birmingham-Southern College, and

Whereas, application for \$50,000.00 has been made to the joint committee handling this special fund for churches in educational centers, therefore, be it

Resolved, that the Board of Church Extension of the North Alabama Conference, having approved said application, wish further to respectfully urge the joint committee to make their appropriation for this urgent cause at the earliest possible moment in order to insure success for the campaign for funds in Alabama, which will be held early in 1923.

Memoirs

REV. J. W. AKIN

Rev. John Wilson Akin was born near Spring Garden, Cherokee County, Ala., November 29th, 1861.

He was the son of Archie Newton and Emiline Johnson Akin.

Reared in a Christian home and surrounded by good influences, he was converted at about 10 years of age at Old Frog Creek Camp Ground, near Pleasant Gap, Alabama, and joined the Methodist Episcopal Church, South.

My acquaintance with Broker Akin, which ripened into an intimate and life-long friendship, began when we were school boys, together with many others, in a great school taught by Rev. S. L. Dobbs, D. D., at Spring Garden, Alabama. As a school boy, and later as an assistant teacher, he exemplified the graces of Christian character and was greatly admired and loved by the student body and all who knew him.

His noble young manhood reflected so beautifully the Divine Image, that all who came in contact with him "took knowledge with him that he had been with Jesus."

He was happily married to Miss Anna Long, of Center, Cherokee County, Alabama, June 7th, 1883. His good wife, who survives him, proved a true helpmate indeed, sharing his joys and sorrows, and at all times in a beautiful Christian way upheld his hands in the great work God had called him to do.

To this union were born eight children, three of whom preceded their father to the better world. Mrs. R. L. Malone, Athens, Ala.; Mrs. J. S. Hamilton and Mrs. J. W. Hamilton, Irondale, Jefferson County; JoJhn M. Akin and Joe Akin, Birmingham, Alabama, survive him. His good family were brought up in the nurture and admiration of the Lord and in their sphere of influence they reflected the beautiful training of a good Christian home.

He was first licensed to exhort, and about two years later licensed to preach by a Quarterly Conference on the Attalla Circuit, 1885.

He was received on trial in the North Alabama Conference in 1886, and admitted into full connection in 1888.

He was ordained Deacon by Bishop R. K. Hargrove at Anniston in 1888, and ordained Elder by Bishop J. C. Granbery, Birmingham, Alabama, in 1890.

He served consecutively the following charges. The first three years was spent on the Hoke's Bluff Circuit, Gadsden District. One year at Ashville and three years at Springville Station in the Gadsden District. Four years at Lanier's, in the Talladega District. Three years on Sunnyside Circuit, Birmingham District. Two years at Wylam Station, Birmingham District. Two years at Brookwood Station, Tuscaloosa District, and again two years on Sunnyside Circuit, Birmingham District. Three years as Birmingham City Missionary. Two years on Bethlehem Circuit, Birmingham District. Three years was spent in the evangelistic work. Two years on Ensley Circuit, Bessemer District.

His life's work ended with four years on Irondale and Boyles charge, 1921.

On all the charges that he served his people loved him devotedly. It is worthy of special mention that all of the charges served by him increased in membership on profession of faith, and with few exceptions all Conference Claims were paid in full.

Probably the greatest work of his itinerancy for the same length of time, was accomplished during the three years spent as City Missionary on Birmingham District under the Presiding Eldership of Dr. S. L. Dobbs. Under

his direction the following churches were organized and housed: Wahoma, now 67th Street, Birmingham; Tuxedo, now Shadyside, Ensley Highlands and Central Park, of Bessemer District; Ninth Street and West Woodlawn in Birmingham District. He organized a Sabbath School at Norwood, Birmingham District, which was the nucleus for our great church at that place.

He held many evangelistic services in different parts of the districts, at railroad shops, jails and everywhere opportunities were afforded he threw "out the life line to danger fraught men." He worked in a systematic methodical way the, the local preachers in these services many times arranging for as many as ten services to be held daily on the Sabbath Day.

He had a passion for the salvation of souls. He labored earnestly and faithfully to this end, and rejoiced to see strong men and women, boys and girls, converted in the old fashion way, and brought into the Kingdom of God. Many will rise up in the great day of final accounts and call him blessed for having successfully pointed them to the "Lamb of God that taketh away the sin of the world."

His preaching was of the evangelistic type, accompanied by the power of the Holy Spirit, and many were saved under the heartfelt messages that fell from his consecrated lips.

He was a very devoted and zealous pastor and Eternity alone reveal the good he wrought in the homes of his people.

He was taken sick March, 1921, and was never well again, and on November 11th, same year, his pure and deathless spirit went home to God.

He did not want to Superannuate, his desire was to go to Heaven from the regular ranks of the Itinerancy; and it seemed that he was most happily honored, when the great head of the church at the time and place of the Annual Conference, while the Bishop and his cabinet were making the transferred our good and faithful Broken Akin to "that city whose builder and maker is God."

A strong Scriptural, Holy Ghost preacher; true, loyal Itinerant; a loving and devoted husband and father has gone to his reward.

His funeral services were conducted by Rev. Keener Mathews, his Presiding Elder, assisted by Rev. S. L. Dobbs, D. D., Rev. George E. Boyd, Rev. Browning and the writer, at the First Methodist Church, Birmingham, Alabama, Sunday afternoon just preceding the Memorial Session of the Conference. The Conference attended in a body, together with a large concourse of sorrowing friends and relatives. His weary body was laid to rest in Elmwood Cemetery in the midst of the mound of beautiful flowers, to await the resurrection of the just.

"One family we dwell in Him,
One church above, beneath,
Though now divided by the stream,
The narrow stream of death.

One Army of the living God,
To His command we bow.
Part of his host have crossed the flood,
And part are crossing now."

Respectfully,

J. W. NORTON.

REV. T. A. KERR

Rev. Thomas Addison Kerr was born at White Plains (then Benton), Alabama, January, 1883, and, on October 27, 1922, at Center, Alabama, where as pastor he had rendered two quadrenniums of faithful and immortal service, among a people whom he dearly loved and who in return so loved him, he finished his course; and his redeemed spirit, no longer thrall'd in its fragile tenement, went home to God—transferred to the augmenting conference above, to dwell in the house not made with hands. He was nearly 85 years of age—ripe in years, rich in the graces that enable human life, beautiful in the saintly qualities that give charm to human character, that adorn and endear human relationships.

Brother Kerr was a patriot. He saw service as a Confederate soldier—staked his life for the right, as God gave him to see the right; gave his blood in battle; and amid scenes that tried men's souls, in action and under fire, he rose from the ranks as a private soldier to the post of an officer of the line. And throughout the unhappy struggle bore himself bravely and honorably.

On March 7, 1864, he was happily married to Miss Mattie Camp; and in all the relations of home-life there was the charm of affection, faith, devotion and courtesy becoming a Christian gentleman.

In the autumn of 1865 (Sept. 12, or Oct. 16, both dates are given in his notes), he was granted license to preach. Rev. Daniel Duncan being the Presiding Elder. For a little more than thirteen years he was a useful local preacher; as a local preacher he was ordained a deacon by Bishop McTyeire November, 1870, at Gadsden, at the organization of the North Alabama Conference; an elder by Bishop McTyeire at Decatur, December, 1875. In November, 1878, at Athens, he was received on trial into the North Alabama Conference, and admitted into full connection at Oxford, December, 1880, Bishop McTyeire presiding.

As a preacher, Brother Kerr was delightful. His grasp of them was sure, his treatment clear, his delivery happy. People heard him gladly. As a pastor he wore well. Not only could he go, he could stay.

His first pastorate was Amberson Circuit, which included the church at Center; and at the end of that year (1879), the name of the charge changed to Center Circuit; here he served the quadrennium ending with 1882. His next pastorate was Guntersville, 1883-86; then Harpersville Circuit, 1887-88; Munford Circuit, 1889-92; Center Circuit, 1893-96; Gaylesville Circuit, 1897-1900; Heflin Circuit, 1901-4; Anniston Mission, 1905. And the end of that year, at Athens, where 27 years before he had entered the itinerant ranks, he was granted superannuated relation.

To Center, where two quadrennial terms as pastor had been so well served, he went after superannuation to find a home in the evening time of his life. There, among a people who knew him well and loved him well, among his people, he finished his course—the course of a Christian gentleman—his memory cherished as precious ointment poured forth.

By all good tokens, that term, "Christian gentleman," was in the generous meaning of it particularly applicable to Brother Kerr—refined, cultured, chaste, considerate, courteous, gracious—honoring his brethren, himself an honor to the goodly company of the saints on earth. He loved the true, the beautiful and the good—stood for such things, and bore their stamp.

He served well his generation by the will of God, and fell on sleep. While he lived, he walked among his brethren worthily and well—honorably esteemed and affectionately loved by them. He was faithful to the end, and kept the faith. His body rests in the quiet church yard at Gaylesville till the Lord come to call to life the blessed dead.

REV. W. A. LOWRY

Rev. William Adolphus Lowry was born in the Walker's Chapel community, on Lookout Mountain, DeKalb County, Ala., Jan. 13, 1890. His parents were humble, pious people who loved God and were devoted to the church. Thus Brother Lowry had the advantage of being reared in a Christian home, an asset for which any one may well be thankful. In early life he surrendered to his Lord and became a member of the Methodist Episcopal Church, South, at Walker's Chapel. In April, 1916, he was licensed to preach by the Gadsden District Conference, and in November of that year was admitted on trial into the North Alabama Conference at Bessemer.

On April 16, 1916, the same month in which he was licensed to preach, he was married to Miss Ora Houston, who proved herself worthy of her consecrated husband and contributed substantially towards his success as a preacher. Two lovely girls were born of this union, and are left in the care of their mother.

Brother Lowry's appointment was Horton (now Albertville) circuit, in the Albertville District. In this, his first charge he gave unmistakable evidences of that earnestness and zeal that characterized his ministry unto the end. At the Conference in 1917, he was appointed to Altoona-Walnut Grove, but after a few weeks he was transferred to East Gadsden to fill a vacancy caused by the going of one of our pastors into war service. He made a great impression upon the people of Altoona during his brief pastorate there, and to them it was a great disappointment when he was removed. He served the East Gadsden charge for nearly two years, after which he was appointed to Arab Station, where he served faithfully until forced to retire on account of failing health, in April, 1921. It will thus be seen that his active ministry covered the brief period of only four and a half years; but they were years fraught with honest service for the Master, and brought gracious results. It is safe to say that every charge he served was left in better condition than when he was appointed to it.

With the exception of the brief period spent at Altoona, it was my privilege to visit Brother Lowry in every charge that he served. A more consecrated man I have not known. All his faculties were at the disposal of his Lord for the service of the Church. He could truthfully say with Paul, "This one thing I do." If he ever thought in terms of his own interest his brethren were unable to see it. His whole thought was that of furthering the kingdom of God. He was ever studying plans by which he might make his work more efficient. When I made my first visit to his charge in the early part of 1921, I found him wholly absorbed in plans and programs for work. He was the kind of man that was not satisfied with anything but the best. I have known no preacher who, in proportion to his opportunity, was reaching out for the best things in church work more than Brother Lowry. His consecration and his intelligent methods greatly impressed me. Lightness, secular conversation, and indifference were unknown quantities to him. While making no claim to greatness he made full proof of his ministry. It was a pleasure and inspiration to be associated with him. At the beginning of his last year's work he told me of his plans to hold a cultural revival in the spring, for the toning up of his church, and another in the summer, which he hoped might result in a large ingathering. He threw himself into the first meeting in March, and realized just what he had hoped and prayed for. His church was greatly toned up, and has been a different church ever since. But alas! the zeal of the Lord's house ate him up. Not being aware of his own limitations he threw himself into that meeting with an abandon that was beautiful, but all but fatal to him. The dreadful "white plague" had already fastened its talons upon him, and the efforts in that meeting gave occasion for his undoing. He was never well

afterwards, never preached another complete sermon. At the close of that meeting he wrote me, "We did not receive any new members, but we have the addition of several old ones." While he had to give up his work, his plans for the year were realized, for in the summer there was held the greatest revival ever known in Arab.

One of my most painful duties as presiding elder was that of telling Brother Lowry that his condition was so serious as to call for a temporary cessation of work. It was a great shock to him, for he loved the work and had it so wisely planned. This was in April. Thorough medical examination revealed the fact that his condition was serious and that he was in a fight for his life. He made the fight bravely, and for a time it looked as if he might win out; but later developments proved that his disease had too tight a grip upon him. He spent the summer and fall with relatives, his last earthly residence being in the home of a sister at Fort Payne. While he wanted to live for the work's sake as well as for his family, still he was not afraid to die. He had surrendered all to God, and looked upon whatever came as an expression of His will. He passed away in peace on December 6th, 1921, and his body was laid to rest in the church yard at Walker's Chapel there to await the resurrection morn. We are richer in friendship and the Church is richer in service as a result of the life of Brother Lowry. We shall meet him again.

R. M. ARCHIBALD.

REV. W. W. RUTLAND

Rev. William Watson Rutland was born at Fredonia, Alabama, in Chambers County, November 4, 1884. Here he received his early training in elementary and high school, probably spending one or more years in high school at West Point, Ga. His college course was taken from the Alabama Polytechnic Institute at Auburn, Alabama, from which school he was graduated in June, 1904. He was converted and joined the church when about fifteen years of age. After completing his college course he taught school for six years before joining the North Alabama Conference. He was married to Miss Martha Frances Watson of Powder Springs, Ga., September 23, 1909. He was admitted on trial into the Conference December 4th of the same year at Roanoke, Alabama, being recommended by the Roanoke District Conference. His first charge was the Rockford Circuit in the above named District. At Huntsville in 1910, he was advanced to the class of the second year and appointed to the Triana Circuit for the Conference year of 1911.

He was admitted into full connection in the Conference at its next session in Florence, Alabama, and was ordained by Bishop Hoss. He was sent to the Gurley Circuit for the year 1912. He was advanced to the class of the third year and returned to Gurley Circuit in 1913 by the Conference in session at Birmingham. At Anniston, 1913, he was ordained an elder by Bishop McCoy, and appointed to Corona-Patton Charge. He was returned to this work at Sylacauga in 1914 for the Conference year of 1915. It was in August of this year that he was elected and appointed as a teacher in the Flat Rock High School, Flat Rock, Alabama, where he remained for six years. In 1921 he was appointed as a teacher in the Northwest Alabama High School. He was stricken in August, 1922, and was called to his reward September 22, 1922.

Brother Rutland had not been well for more than a year before his death; he was not at himself physically by any means and suffered quite a lot during his last year of work, but he never complained. He was of that patient, loving disposition that trusted all things to a higher power. He never gave up hope of living, and among the wonderful things he said during his sickness was that if it should be God's will for him to go on that we would know

where to find him. He was confident of the victory won through faith. He was entirely resigned to God the Father, and trusted Him to the last. His funeral was conducted by Bro. W. E. Guthrie at Haleyville, where he was laid to rest awaiting the general resurrection. The writer was with Bro. Rutland for the past four years of his life, having been closely associated in school together as teachers. A cleaner, sweeter spirit never lived in a human being than that of Wat. Rutland. During our four years together we never had a misunderstanding about anything in the work, and never was there the slightest degree of ill feeling between us. I loved him dearly and he assured me more than once that this love was reciprocated. A great blessing was he to my life and work, and a closer companion I have never had. While we mourn his departure, I am sure that he is surveying the beauties and grandeurs of heaven where we hope to go and be shown by him some day.

He had only a few short years in the service of our Lord's ministry here, but these were full years, and I feel sure that the spirit of Rutland has been the means of reflecting the spirit of Christ in the lives of many people here on earth. Brother Rutland was not a hireling or a servant, he was more, he was a son, well beloved and conscious of the presence of God. He was unselfish and always placed others ahead of himself. He was humble and submissive, and considered all circumstances as the Father's will for him. He had more faith than many of us and always trusted God for the best. I have never known a man who had more interest in doing just what God wanted him to do than he. He was never self-assuming or trying to push himself forward. He never sought promotion or courted favors of the powers that be, in order to secure a better appointment, but went faithfully to whatever charge was given as if he had received the appointment from the Father.

He loved his people and they loved him. His loving heart went out in compassion to every troubled soul. He was never too tired or too busy to help anyone who needed help. He tried to imitate the Master by going about doing good. I never knew a pupil of his who did not love him. He had a tact in getting hold of boys and girls which is very rare in teachers. He commanded them by his loving, gentle life in a way that they all obeyed. His former pupils showed a spirit of great grief at his departure. He loved the work of teaching, and realized that this was his greatest field for service, and yet he wanted to teach just when and where his church told him to go. He was loyal to the Methodist Church, and always and everywhere had its interest at heart.

No life or death that I have known has made a deeper impression of the wonderful love of God, and the importance of Faith in Him, than that of this our Brother who lives with Jesus today.

Surviving are his wife and five children, and four brothers, Prof. J. R. Rutland, of Auburn; Prof. J. B. Rutland, of Dallas, Texas; Rev. E. R. Rutland, of the North Georgia Conference, and Prof. Thomas Rutland of Powder Springs, Ga., and one sister, wife of Rev. J. R. Martin, Tuscaloosa, Ala. With these are a host of school boys and girls who have been under his instruction in the various parts of the state, and many friends. In our hearts he shall ever live enshrined as a blessed memory.

L. G. ALVERSON.
